

They lived in a house in the forest.

One was a Little Wee Bear,
one was a Middle-sized Bear
and one was a Great Big Bear.

Goldilocks needed a rest
so she went upstairs
to the bears' bedroom.

She tried to climb onto
Great Big Bear's bed
but that was too high.

She tried to lie on Middle-sized
Bear's bed but that was too low.

So she stretched out on
Little Wee Bear's bed
and that was just right.
It was so comfortable
that she was soon
fast asleep.
